Choosing a Quorum, 5 board members are needed (this is in the by-laws)
Will be voted on next month

Nets: Repaired and chained, but what happens if the Hispanic league wants to play. Hispanic league will buy their own. In the meantime, if they are using our goals, the board is liable. An indemnity clause was developed and can be given to Feeney Park Board basically stating that if they are locked and others use them, then Feeney is responsible. If we take them down then there will not be a problem of liability. Can take them apart and take down to barn. This way we can table this to find out the price of pop-ups to use after league is finished in the fall.

Competitive Team Tryouts: Under 14 team for Boy's Kaercher team would like to open to additional counties. Calaveras, Amador, Tuolumne. Last year, too many kids were pulled from EPYSL league to play Kaercher. We can not afford this again.

Cap on how many were pulled?

Under 12 would like 14-16 to make a team

Under 14 would like 16 to make a team

Under 16 would like 16 to make a team

If we lose any members of the EPYSL, then a whole team will be lost

Due to decrease in kids enrolled in soccer, there are even less to spare

Kaercher tryouts need to be before April 3, then the board can see how many sign up from Murphys and vote on a cap.
